### **ABSTRACT**

This research aims to study The Cancellation or Revocation of The Land Document of Title because of the pointing out grounds for guilt of The National Counter Corruption Commission (NCCC) according to The Organic Act on Counter Corruption, B.E. 2542 in Section 99 including the problem of the procedure transaction in section 99 of The Organic Act on Counter Corruption, B.E. 2542

This study was found that The Organic Act on Counter Corruption, B.E. 2542 in section 99 is specification of the damage elimination measure because of corruption or the privilege is wrongfully acquired from corruption of the government officers. If it has approval or permission any person to use the privilege or unlawfully issue the title deed or violate the government regulation that cause the government gets damaged. The National Counter Corruption will report and submit the documents with his opinions to the commander or the leader chief of related institute to request into the court in order to orders or decides to cancel or revoke the land right or document of title that the accused approves or permits. However, such provision of law have not yet specify clear procedures and methods. So it cannot not be efficiently and justly enforced as the purpose of laws to people who get effect.

As the ways to solve such problems. The author has recommendation from study and analysis in order to the government offices have the path of clear transaction and the provision of law can be efficiently and justly enforced to people who get effect. Therefore should be have amendment the

provision of section 99 of The Organic Act on Counter Corruption, B.E.2542 by specify the procedures and methods of The National Counter Corruption Commission to examine the matter of facts involve issuance the document of title. Including, Specification of transaction in the court about litigation in such provision by clear. In order to such provision can be efficiently and justly enforced in the next future.
