인사말

한국조형디자인협회 회원 및 태국의 연구자 여러분,
2018년 한해의 출발을 태국 부라파 대학에서 뜻 깊은 행
사로 출발하게 되어 매우 기쁘게 생각합니다.

2017년 남서울대학교에서 개최된 추계 국제학술대회에
이어 이번 국제조형전에도 한국, 태국, 미국, 일본, 이태리,
영국 등지에서 100여명에 이르는 작가, 연구자, 교수님들
께서 참여해 주셨습니다. 태국에서 개최하는 이번 세미나
와 국제 조형전, 개인전을 통해 한국조형디자인협회의 국
제적 위상 증대와 태국과의 교류가 한 단계 발전하는 계
기가 될 것으로 믿어 의심치 않습니다.

특히 이번 추계 행사에는 국제조형전과 함께 회원들의 창
작활동 지원을 위하여 개인전도 함께 기획하였습니다. 공
모를 통해 2분의 회원이 선정되었으며 부라파 대학의 협
조와 지원으로 개인전을 태국에서 개최하게 되었습니다.

이는 회원들의 해외 연구 활동을 지원하고 연구자간의 국
제교류를 확대하는 기회가 될 것입니다. 앞으로도 한국과
태국 양국의 연구자들에게 이러한 기회를 지속적으로 제
공할 수 있도록 인적, 제도적 네트워크를 구축하도록 노력
하겠습니다.

끝으로 2018년 태국에서 개최하는 추계 국제전시, 개인
전, 세미나에 적극적인 참여와 관심을 보여주신 회원 여러
분과 태국의 연구자 분들께 감사의 말씀을 드립니다. 이와
함께 이번 행사에 물심양면으로 많은 지원과 학술 행사의
원활한 진행을 위해 노력해 주신 부라파 대학과 관계자 여
러분들께 진심으로 감사드립니다.

2018 International Art&Design Invitation Exhibition
Thailand Burapha University

Greeting

Dear members of the Korea Association of
Art&Design and researchers of Thailand, I am
so happy to start the year of 2018 with such a
meaningful event in Burapha University of Thailand.

Following the autumn international conference held
in Namseoul University of 2017, in this international
art&design exhibition, about 100 artists, researchers,
and professors from Korea, Thailand, USA, Japan,
United Kingdom and Italy participated. I truly
believe that this seminar, international art&design
exhibition, and private exhibitions would become a
chance to increase the international status of the
Korea Association of Art&Design, and to develop
exchanges with Thailand.

Especially, on top of the international art&design
exhibition, this autumn event also includes private
exhibitions for supporting members' creative
activities. Total two members have been selected
through contest, and owing to the cooperation
and support from Burapha University, the private

exhibitions could be held in Thailand. It will be a
chance to support overseas research activities
of members and also to expand international
exchanges between researchers. We will work hard
to establish the human & institutional network to
continuously provide this opportunity to researchers
of both Korea and Thailand in the future.

Lastly, I like to thank all the members and
researchers of Thailand for active participation
and interest in the autumn international exhibition,
private exhibitions, and seminar held in Thailand
of 2018. Also, I sincerely thank the authorities of
Burapha University for putting much support and
effort into the smooth operation of this academic
event.
