ABSTRACT

This independent study aims to investigate the Protection of the Rights of the Accused under the Organic Act on the Prevention and Suppression of Corruption, B.E.2561 (2018) and to compare the relevant regulations of France , United States of America. , Hongkong and Australia. The results of this studies will be brought to seek amendment of the additional solutions in the relevant legislative acts.

This independent study is a qualitative research by documentary research analysis of international and Thai laws text books, articles and other related information on the websites. The study uses descriptive and, comparative method and analytical method in order to improve and tackle those problems or gaps under the Organic Act on the Prevention and Suppression of Corruption, B.E.2561 (2018). In addition the comparison the regulations of France , United States of America , Hongkong and Australia has also been analysed.

This study found that some provisions under the Organic Act on the Prevention and Suppression of Corruption, B.E.2561 (2018) in comparison with the regulations of France , United States of America , Hongkong and Australia still be a problem as they were unsuitable issue to protect the right of alleged culprits. Thus, this study the work provides some recommendations to amend the relevant regulations in order and the methods to solve those unsuitable issues.
