ABSTRACT

This Independent study aims to study legal problem relating to limitation periods of subrogation on Voluntary Motor Insurance contract. Even in cases where the contractual subrogation Voluntary Motor Insurance Contract It will set out in Section 880 Civil and commercial transactions but there are still gaps which need to be taken to Section 227 of the Civil and Commercial Code on Law of Obligations for apply. Causing inconsistencies and lack of clarity in the legislation itself, which is the principle cause of this problem two reasons.

1. The problems with compensation.
2. The problem with the limitation periods of the defendant at the subrogation.

And to study the issue of subrogation under the reinsurance contracts. Which is not specifically provided for the law of Thailand but by the nature of reinsurance on Voluntary Motor Insurance Contract similar to non-life insurance contract. It even raises questions about subrogation litigation between insurers and reinsurers in two reasons.

1. The problem of subrogation from third parties.
2. The problem of limitation periods subrogation from third parties.

Thus, a conclusion on the issue clear. The scope of the study will study the issues regarding subrogation and indemnity and problems with limitation periods subrogation recourse to third parties.
