International Digital Art Exhibition

ASEDAS 2022

VIRTUAL DIGITAL ART EXHIBITION

The COVID-19 has greatly affected all of us around the globe. With the attempt to ease these prolong tension, ASEDAS and its partners came up with the idea of using the art to foster the sensation. Hence, ASEDAS2020 was organized. The great success of the ASEDAS 2020 and its succession, ASEDAS 2021, ASEDAS once again announced the organizing of the 3rd International Virtual Digital Art Exhibition (ASEDAS 2022). This year's theme is "Reliance".

With this, we aim:

1. To create a platform to exhibit the contemporary art online
2. To promote cooperation and collaboration with both domestic and international parties
3. To disseminate the contemporary art and culture

We are, therefore, inviting all artists, photographers, videographers, academics, students, and people around the world to submit their digital artworks via our platform.
