### **ABSTRACT**

The objective of the research is to set up a model regulation on the cooperation of local government for the services for the public benefit. Research methodology to collect and analyze data is Qualitative research consisting of Documentary research; In- depth interview; Participatory Design, Co- Design; and Hearing.

The research found out that to achieve cooperation among local government for managing public facility service to establish cooperation organization named ‘Sahakarn’ must have Royal Decree for the establishment to support with the structure of the Royal Decree consisting of Council of Sahakarn; Committee to control the administration of Sahakarn; Governor of Sahakarn; workers of Sahakarn: Structure of Sahakarn; and Types of public service provided.

The research recommends amending the Provincial Administrative Organization Act, BE 2540 (1997), the Tambon Council and Sub-District Administrative Organization Act, B.E. 2537 (1994) which have no provision to establish a Sahakarn, Additional provisions in the Municipality Act B.E. 2496 (1953) providing authority to enact Royal Decrees for the establishment of Sahakarn to be an organization for the cooperation among local government.
