### **ABSTRACT**

This research objective is to find an appropriated Good Governance principle for the exercise of the authority and duty of the Local Administration Officer at the level of Sub-district headman, and Village headman. The research methodology is qualitative research composing of documentary research; in-depth interview; participatory design, co- design; and hearing.

The research found out that there are 8 principles of good governance for sub-district headman and village headman which are Accountability; Rule of law; People participation; Consensus principle; Moral principle; Principles of efficiency and effectiveness; The main response to the needs of the people and the principle of cleanliness.

The research recommended that Provincial Administration, Ministry of Interior should Set a policy to apply the 8 principles of good governance to create the understanding to the administrator of the Ministry of Interior and set a policy and guideline for the practicing of the implementation of good governance in order to create understanding and satisfaction of people. Legal recommendations is enacting law with penalty for the enforcement and to amend law on the recruitment to be a of Sub-district headman, and Village headman. Further research recommended is “Model Law on Principle of Good Governance”.
