Dear Sir/Madam,

Congratulations on the acceptance of your paper! And thank you for your interest in the 4th International Conference on Production and Supply Chain Management (ICPSCM2015) to be held in Ushuaia, Argentina during 12 – 14 November, 2015. On behalf of the Conference Advisory Committee, I would like to formally invite you to attend the ICPSCM2015 to present your paper. This international conference focuses on research in the fields of production, operations, logistics and value/supply chain management. All submissions will be peer reviewed and acceptance will be based on quality, relevance, and originality. Presenters will be given the opportunity to have their submissions included in the on-line conference proceedings (<http://www.icpscm.net/?pid=11>). More details and instructions will be announced closer to the event.

We seek your cooperation to submit the full paper by 15 October, 2015, so our editorial staff can have more time to process. Late paper may cause errors and your early submission will help reduce that. We are looking forward to an exciting conference. Thank you for your participation and we are looking forward to seeing you in Ushuaia.

Best Wishes,

Yours sincerely,
