ABSTRACT

This research aims to study the problems of enforcing the Road Traffic Act, B.E. 2522 (1979) in the case of criminal fines. There is a study of the background, concepts, theories and measures for the enforcement of criminal fines. and comparative analysis of the enforcement of criminal fines According to Thai law and foreign law to find ways to solve enforcement problems Appropriate criminal fines There are strict and effective legal measures.

From the results of the study it was found that The problem of enforcement of the Road Traffic Act, B.E. 2522 (1979) in the case of criminal fines There are a number of fines that are inconsistent with current conditions. There is also a problem with the legal discretion of traffic officers in comparing fines. and the problem of enforcing fines in cases where the offender fails to pay the fine according to the traffic officer's order

Therefore, the researcher has proposed a solution to the problem. By introducing a daily fine and income System to apply to offenders according to the Road Traffic Act, B.E. 2522 (1979) in order to deterrence the offense However, measures related to the supervision and enforcement of the Road Traffic Act, B.E. 2522 must be strictly and appropriately. in order for the offender to be aware of their actions feel Afraid of the consequences resulting in efficient law enforcement which is beneficial to public safety and public order
